£50

voucher for attending
1.5 hour workshop

About the workshop

Do you live, work or study in Fitzrovia?

We want to know what you think, feel, know (and want to know!) about how the brain works.

Why attend?

- £50 incentive (in the form of Love2shop vouchers) for attending
- No experience required - we just want to find out your thoughts and questions about brain research

Registration required

To register, please scan the QR code or email your full name and which date and time you'd like to attend to:
