

Job Description

Supporting Animal Technician

Department: Sainsbury Wellcome Centre
Grade: 4
Salary: £29,882 - £31,290 per annum inclusive of London Allowance
Hours: 36.5 per week (full-time, 1.00 FTE)
Reports to: NRF Floor Manager

Context

The state-of-the-art Neurobiological Research Facility (NRF) within the Sainsbury Wellcome Centre (SWC) enables world leading scientific research involving the use of animals including mice and rats.

The NRF is both science and welfare driven. It is flexible and forward-looking and promotes collaboration within and beyond the institute. The facility provides expertise and support for housing and experiment, all underpinned with world-class standards of welfare.

SWC recently received full accreditation from the Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC) International.

Main purpose of the job

You will provide support for day to day animal husbandry, care and welfare within the SWC Neurobiological Research facility (NRF). You will have a strong interest in animal care and welfare. Following induction training your responsibilities also include operating equipment such as autoclaves, rack-washers and bottle-washers, as well as handling cage preparation and distribution and general house-keeping duties. Throughout the fulfilment of these duties you must maintain a

hygienic and tidy approach in keeping with fire, health and safety, and bio-security protocols.

The nature of this role means that you will be required to work outside of standard office hours to meet the needs of the animals; this will include working one in three weekends and occasionally unsociable hours.

Duties and responsibilities

- Changing of water bottles, cleaning of cages and feeding of rodents.
- Day to day care and welfare of laboratory animals.
- Mechanical cage washing.
Safe operation of the bedding dispenser.
- Recognising and acting upon changes in demand for various cages.
- Distributing caging and supplies around facility as needed.
- Receiving, distributing and storing materials, food and supplies;
- Ensuring storage areas are maintained in a sanitary and tidy condition;
- Stock rotation and monitoring of stock levels.
- Maintenance of a hygienic and safe working area;

- Washing, drying and folding of laundry;
- Deep cleaning of service areas and corridors.

General

- Carry out any other duties within the scope, spirit and purpose of the job as requested by the line manager.
- Actively follow and promote all UCL policies including those on Equality, Diversity and Inclusion.
- Maintain an awareness and observation of Fire and Health & Safety Regulations.
- There may, on occasion, be a requirement to work extended hours.
- Follow and actively promote the [UCL Ways of Working](#).
- This job description may be reviewed and be subject to amendment in consultation with the post holder.
- All staff are expected to act professionally, co-operatively and flexibly in line with the post.
- UCL's Sustainability policies and objectives, attend management meetings and undertake such training and development as may be required for the post.
- The above description is not exhaustive, and the post-holder will be required to undertake any other duties as may reasonably be requested within the scope, spirit, and purpose of the post.

Person Specification

Applicants should copy and paste the following essential criteria (which are assessed on the application form) into the “Statement in support of your application” and describe underneath each criterion how they meet it, giving examples.

Essential Criteria	Assessment method
Qualifications, experience and knowledge	
Minimum of 5 A*-C or 9-4 GCSEs or equivalent qualification in Science.	Application
An interest in animal care and welfare.	Application/Interview
Skills and abilities

UCL benefits and policies apply equally, whatever the sexual orientation and/or gender identity of employees. Benefits and policies relating to employees partners, includes both different sex and same sex partners.

About the Sainsbury Wellcome Centre

The [Sainsbury Wellcome Centre](#) (SWC) brings together world-leading scientists to investigate how brain circuits process information to generate perception, form memories and guide behaviour. Developed through the vision and partnership of the Gatsby Charitable Foundation and Wellcome, and with substantial investment from these partners, the mission of the SWC is to generate experimentally testable theories of brain function.

The Centre comprises 12 highly interdisciplinary experimental research groups accommodated in a new, purpose-designed building, offering an outstanding and unparalleled research environment. SWC scientists use a broad spectrum of the latest advances in molecular and cellular biology, imaging, electrophysiology and behavioural techniques and enjoy state-of-the-art research laboratories, cutting-edge scientific equipment, technologically-advanced prototyping and fabrication laboratories and custom in-house high-performance computing facilities.

SWC is part of the [UCL School of Life and Medical Sciences](#) (SLMS). SLMS brings together four UCL Faculties to create one of the largest and most prestigious aggregations of academics in biomedical, life and population health sciences worldwide. The School has a global reputation for teaching, informed by cutting-edge research. SWC is most closely linked with the Faculties of Brain Science and Life Sciences, and is aligned administratively with Life Sciences. The Faculty of Life Sciences leadership team works closely with the SWC leadership to support and enable their mission and facilitate research excellence.

Further details about UCL can be found at www.ucl.ac.uk.

Professional Services at the Sainsbury Wellcome Centre

SWC has a specialist and experienced professional services team. It is structured to efficiently support research activity and deliver effective management and operational leadership of the SWC. SWC prides itself on offering a high quality administrative,

technical and operational support function, and fully supports the professional development and progression of its staff, actively encouraging colleagues to learn new skills and broaden their experience. The SWC is supported in this aim by [UCL's Organisational Development team](#) who run a wide range of training programmes for all staff types and grades.

Work Environment

SWC offers staff an award-winning work environment in the heart of Fitzrovia with an on-site brasserie, access to lockers and changing facilities, secure bicycle storage, and access to pleasant outdoor spaces. The Centre also offers the full range of [UCL staff benefits](#), including a generous annual leave entitlement, occupational pension schemes, excellent family-friendly policies such as occupational shared parental pay, a work-life balance policy, and a range of financial benefits such as a season ticket loan scheme and staff discounts.

Accreditations

The Sainsbury Wellcome Centre and Gatsby Computational Neuroscience Unit recently received an Athena Swan Bronze Award. [Find out more about our commitment to promoting gender equality.](#)

SWC recently received full accreditation from the Association for Assessment and Accreditation of Laboratory Animal Care (AAALAC) International. [Find out more about our commitment to supporting a culture of care.](#)
